Directions

From the North:

Leave the M5 South at Junction 13. Take the first exit signed A419 to Stroud. Go straight over two roundabouts. When reaching a third roundabout - "Horsetrough" roundabout, take the third exit for the bypass signposted A419 Stroud. This will bring you to another roundabout at a Sainsbury's supermarket. Take the first exit.

At the next roundabout take the third exit signposted A46 Bath. Keep in the left hand lane at the traffic lights and follow Dudbridge Hill. At the top of Dudbridge Hill (a B&Q DIY store will be on your right), turn right. After 30 yards, take the first turning on the right into Daniels Industrial Estate. Meningitis Now offices are located on the second floor of the main building (the first building on the left as you enter the estate).

From the South West:

Leave the M5 North at Junction 13 and follow the instructions above.

From the South East:

Leave the M4 at Junction 15 and follow the A419 past Swindon and Cirencester heading for Stroud (passing through Chalford, Brimscombe and Thrupp after Cirencester). At the first roundabout (after approx. 11 miles from Cirencester) take the first exit along "Newton's Way" bypass. Take the first exit at the second roundabout and drive straight on. At the traffic lights, go straight ahead. You will see a B&Q DIY store on your right. After 30 yards, take the first turning on the right into Daniels Industrial Estate. Meningitis Now offices are located on the second floor of the main building (the first building on the left as you enter the estate).
