

# How many days to 50k's?

JOG ON  
MENINGITIS

#50ks50days

- Print off this poster.
- Decide how much you want people to donate to take part.
- Write the name in each box of the person who guesses Jog On Meningitis will take you that number of days to complete. Just one name per box!
- The winner is the person who guessed the right number of days. We suggest 50% of the generated money goes to the winner and 50% is donated to Meningitis Now.
