

Information on how cookies are used

- Google Analytics

These cookies are used to collect information about how visitors use our site. We use the information to compile reports and to help us improve our site. The cookies collect information in an anonymous form, including the number of visitors to the site, where visitors have come to the site from and the pages they visited.

- YouTube Videos

This cookie helps track the number of views for a particular video. The pref cookie will track user preferences and serve up related content or adverts within an embedded YouTube video.

- Security cookie

This cookie prevents other websites from submitting forms. It is included to help stop "Cross Site Request Forgery." When a user views a form the cookie is set. When a user submits the form, this cookie tells the website that the form should be accepted.

- Browser Session Cookie

This cookie is set by the website when a user logs in. This cookie does not display any identifiable or tracking information and is deleted when the user closes their browser. This is only relevant to administrative users of this site.
