

Why support Meningitis Now?

With 30 years' experience, we are committed to saving and rebuilding lives, working towards a future where no one in the UK dies from meningitis and everyone affected gets the support they need.

With your support we can make sure no-one has to face the devastation of meningitis alone. Do something amazing and sign up to an event near you today!

Fundraising support

Our dedicated events team is on hand to support you every step of the way with fundraising support, training and dietary advice, helpful hints and tips, regular team emails and more. We welcome any questions you have and are always delighted to speak with our supporters.

Don't just take our word for it...

"I have met the most strong and determined people this weekend; hearing some of their stories has made all the pain and lack of sleep worth every minute!"
Kelly Hanson, Three Peaks Challenge 2016

"Teamwork is a big part of Tough Mudder and we not only helped each other around the course but also helped (and received help from) complete strangers along the way. I am definitely going to do another one."
Martin Roby, Tough Mudder 2016
