

The Five Valleys Walk Courtesy Bus Route Map

1 – 8 Checkpoint numbers

Buses, courtesy of Stagecoach, run between 11.00am and 4.45pm and are on hand to pick up you and your tired feet once you've finished the walk.

They are approximately every 30 mins, with the exception of the **Slad** bus route, which goes back and forth as quickly as traffic allows.

All buses start and finish at the depot transfer point. Please be aware that this may involve a short wait.
